POST RESULTS SERVICES – REVIEWS OF RESULTS

Reviews of Results must be made following the publication of results. Review of results may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. If a result is queried, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting a re-mark.

Awarding bodies offer the following services:

Priority copy of marked paper (access to scripts)

This is a copy of the marked exam paper that you can use to decide whether to request a review of marking or clerical re-check. Schools and colleges will receive the papers within a week of the request.

Clerical re-check

This service provides re-checks of all clerical procedures leading to the issue of a result and will include the following checks:

- all pages marked
- all marks counted
- the results match the marks on the paper.

Review of marking

If you request a review of marking

- it includes a clerical re-check
- you will receive a copy of the reviewed script as part of this service
- a second examiner will review the paper/recording again to identify genuine marking errors or unreasonable marking
- make sure all the marks are counted.

In a review of results of examinations, after the subject grade has been issued, there are three possible outcomes:

- original mark is lowered, so final grade may be lower than the original grade received
- original mark is confirmed as correct, there is no change in the grade
- original mark is raised, so the final grade may be higher than the original grade received.

Moderation review

Moderation review of an internally assessed non-exam assessment (NEA) mark, the exam board will check to make sure the assessment criteria were applied fairly, reliably and consistently.

It's only available for whole subjects, not individual students. Private candidates can request it, but only for certain specifications and when the work has been assessed by a moderator.

Outcome of Enquiries

The review of results fee will be refunded if there are any grade changes.

All reviews of results or requests for access to scripts must be made by the school. Awarding bodies will **not** accept applications submitted by parents or candidates.

Reviews of results may lead to a candidate's marks and grades being confirmed, raised or lowered. As a consequence, you will need to give your consent by completing and signing a consent form. Consent forms will be available on results day or via the exams officer exams@ribblesdale.org

The consent forms **MUST be signed by the candidate**, not a parent/carer.
