Dear Parents

## School Lunch Arrangements

As you may be aware, we have recently redeveloped and refurbished the main school canteen, creating a modern environment with increased capacity. I am therefore writing to inform you that, with effect from Thursday 11<sup>th</sup> October, there will no longer be a staffed service in the smaller 'snacks' facility which currently serves sandwiches at break and lunchtimes.

To compensate for this, the school has installed a healthy sandwich vending machine in the 'snacks' area. This machine currently takes *cash only* and sandwiches range in price from £1.20 to £1.60. If your child wishes to buy a sandwich from the machine for their lunch, please would you therefore ensure that they have sufficient cash on them.

We are currently investigating whether the vending machine can be adapted to the school cashless system and will update students on this in due course.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
