

Year 1 – Independent Learning Opportunity

Spring 1

Please choose **2** of the following projects to complete linked to our curriculum focuses this half term.

Alternatively, if you would like to complete different projects related to our topics, you can surprise your teacher with those instead.

Option 1 Science Focus: Animals Including Humans.

Make a poster to demonstrate your knowledge about animal classifications. (Fish, Birds, Mammal, Reptile and Amphibians).

Option 2 Geography Focus: Maps, Continents and Oceans.

Can you create a map of the world and then label it with the 7 continents and 5 oceans? This can be on paper, with playdoh, chalk outside or any other creative way you choose!

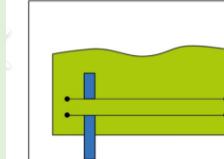

Option 3 DT Focus: Create a Slider Mechanism

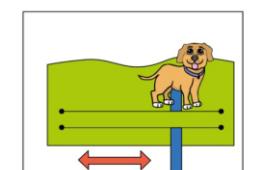

Can you create a character that slides along? It could be a footballer sliding along to score a goal, a Gruffalo on a walk through the deep, dark, wood or anything else that you like!

Making a Slider Mechanism 1

1. Use a hole punch to make four holes – not too close to the edge! Cut two straight lines and feed in the slider.

2. Fix a picture to the slider and move it back and forth. You can use a card strip to cover over the cuts.

Option 4 PE Focus: Dance

Create your own dance based on your favourite song and upload to Seesaw. Choose a song you love to listen to and think about how the music makes you feel. Is it fast, slow, happy, or calm? Use these ideas to inspire your movements. Try to include:

- Beginning, middle, and end** – start with a pose, add some moves, and finish with a strong ending.
- Different actions** – such as jumps, turns, stretches, and steps.
- Levels and directions** – move high and low, forwards and sideways.

Practise your dance a few times and then perform it for someone at home. You could even teach them a move! If you'd like, draw a picture of your favourite part.

Key Vocabulary:

Lever, slider, mechanism, fish, bird, mammal, reptile, amphibian, continent, ocean.

Option 5 PSHE Focus: Online Safety

Create a video or poster to tell others about rules to keep them safe online.

Option 6 RE Focus: Research an Aspect of the Islamic Faith

- Virtual Tour:** Explore a mosque online.
[Visit My Mosque Virtual Tours UK - 360 Virtual Tour Co.](https://www.my-mosque.com/virtual-tours)
- Music and Dance:** Listen to traditional Islamic music.
- Food Tasting:** Try tasting a simple Islamic food like dates.

All ILOs should be completed and handed in prior to the last week of the half term.

Thank you for your support
