

Year 2 – Independent Learning Opportunity

Summer 1

Please choose **2** of the following projects to complete linked to our curriculum focuses this half term.

Alternatively, if you have a burning desire to complete different projects related to our topics, you can surprise your teacher with those instead.

Option 1 Science Focus: Life cycles

Create a life cycle of an animal in an imaginative way.

Option 2 DT Focus: Textiles

Can you think about being sustainable and use recycled materials to create your own puppet at home?

Option 3 PSHE Focus: Health and Wellbeing

Create a sleep diary to log how much sleep you are getting over a few days. You could include the times you go to bed, when you wake up and any dreams you might have. Include how energised and ready for each day you are.

Day 1
How many hours of sleep did I have last night? _____
How energised do I feel? ① ② ③ ④ ⑤ ⑥ ⑦ ⑧ ⑨ ⑩
Day 2
Did I wake up during the night? _____
How energised do I feel? ① ② ③ ④ ⑤ ⑥ ⑦ ⑧ ⑨ ⑩
Day 3
Did I go straight to sleep? _____
How energised do I feel? ① ② ③ ④ ⑤ ⑥ ⑦ ⑧ ⑨ ⑩

Option 4 Geography Focus: Australia

Ask an adult to help you use the internet to research some facts about the Daintree Rainforest or Great Barrier Reef.

Create a fact file or poster all about your choice of topic to share at school with your friends.

Key Vocabulary:

continent, country, United Kingdom, Australia, world map, globe, ocean, rainforest, habitat, tropical, animals, plants, climate, nature, centimetres, millimetres, metres, adult, young, baby, born, growth, egg, seeds, nest, offspring

Option 5 PE Focus: Athletics

Ask a parent at home to photograph or video you developing your athletic skills. How fast can you run? How far can you jump? Can you throw a ball from one side of the garden to another? What about making your own obstacle course to complete!

Option 6 Maths Focus: Length and Height

Can you measure objects at home? You could measure yourself and then an adult or sibling and compare who is taller. You could measure a range of different objects you can find in your house and order them from longest to shortest. Take a picture and add it to Seesaw to share with everyone in class.

All ILOs should be completed and handed in prior to the last week of the half term.

Thank you for your support!
